## Ceremony Announcement

To the faithful rinpoches and tulkus, khenpos and lopöns, monks and nuns, and to the sponsors and people from any nation east or west who have a connection to the Benchen Community,

The Boldt family from Germany and other sponsors have raised funds and provided all necessities for a retreat center for nuns close to the Asura Cave and the Self Arising Tara in Pharping, Nepal. Benchen Arya Tara Ling was established by both venerable Rinpoches and has been completed. It is confirmed that His Eminence Kyabje Drubwang Sangye Nyenpa Rinpoche will start the inauguration ceremony of the nun's retreat center, Benchen Arya Tara Ling, on 10th April 2018 (25th day of the second month of the year 2145, Tibetan calendar). Please keep that in mind. Furthermore, if you are a nun, old or young, from any place east or west, who wishes to stay in retreat at Benchen Arya Tara Ling, please contact Lama Yönten Palsang at 00977 9863847069.
