Dear Dharma Friends,

Our Polish Lama Rinchen, is truly done 3 year retreat, qualified both rituals and practices and we asked him to teach Dharma in Europe and particularly in Poland. He is trained very well all our traditional practice under our guidance and instruction during his retreat and generally each and every time he visits us. Therefore, he could direct and lead all the Dharma practitioners here in West, particularly coming 3 year retreat in Grabnik, Poland. We trust him completely in this matter.
